

WALKINSHAW PERFORMANCE UPGRADE PACK

Harratts Mitsubishi are proud to offer the Mitsubishi L200 Walkinshaw Performance Upgrade Pack. Tom Walkinshaw's companies have had involvement in Formula One with Benetton and Arrows, GT Racing with the spectacular Le Mans Jaguars of the late 1980s and British Touring Cars - most notably with the famous Volvo 850 Estate in the mid 1990s.

His latest venture has resulted in this Upgrade Pack for the L200, which adds poise and feel for the enthusiastic L200 driver.

- Features include:
- 5 link rear suspension with coil springs over dampers
 - Koni performance dampers FRONT and REAR
 - 20" Wheels with continental cross contact 255/50 R20 Tyres
 - Stainless Steel twin exit performance exhaust
 - OE approved anti-corrosion protection system by Henckle Loctite.
