

# Supagard™

Supagard is a treatment which is applied to both the outside and inside of the vehicle, developed to withstand the harshest environmental and climatic conditions, not to mention those accidental spillages.

Supagard™

## THE COMPLETE PROTECTION PACKAGE FOR ONLY £299

The Supagard advanced technology base package consists of:

### **PAINT SEALANT**

This forms a tough, high gloss, deep transparent protective barrier on your car's paintwork, therefore keeping it looking new for longer.

Eliminates the need for waxing and polishing

Shields the paint finish from harmful ultra-violet solar rays - reducing fading

Seals surfaces against harmful acid rain, salt and pollutants

Easily cleaned, this high gloss finish remains wash after wash

### **FABRICGARD AND CARPETGARD**

This protects your fabrics and carpets by coating each fibre with a resin based formula which won't wash out

Children and Dog Friendly -those accidental spillages and dog hairs just wipe clean away

Prevents liquids staining the fabric and carpet

Prevents friction and damage to fibres

Test for yourself - ask one of the Sales Executives for a demonstration.

### **AFTERCARE**

You can purchase Supagard Aftercare products including Shampoo and Paintseal Cream - just ask the sales people.

In case you are unable to clear the spillages, there will be someone on call to help you.

All the Supagard treatments are guaranteed for 3 years, subject to the Guarantee Conditions.

The products are quality assured to be environmentally friendly and non-harmful.
